

BMAPOA Architectural and Landscaping Control Committee Plans Review Response

From: The BMAPOA, Architectural and Landscaping Control Committee (ALCC)

To: _____

The ALCC has found that the plans which you submitted, entitled _____
_____, and dated _____ are satisfactory for
construction to begin.

Please be aware that if a design change is made in the future, which affects the external appearance of the building, that new must be submitted for review, and approval obtained, before further construction may continue.

Thank you for your interest in keeping Blue Mountain Airpark a pleasing place for all lot owners to live.
